**REPORT ON “OPERATION CLEAN YOUR FRONTAGE” PILOTING HELD ON
25TH JANUARY 2022 AT ABLEKUMA CENTRAL MUNICIPAL ASSEMBLY**

On Tuesday 25th day of January 2022, Ablekuma Central Municipal Assembly launched its operation clean your frontage agenda which was formulated by the Greater Accra Regional Coordinating Council under the leadership of Hon. Henry Quartey, in response to H. E. the president Nana Addo Dankwa Akuffo-Addo’s vision of making Accra the cleanest city in Africa, Ablekuma Central Municipal Assembly did the piloting of operation clean your frontage initiative where sister Assemblies from various Metropolitan Municipal and District Assembly and other electronic and print media houses were invited to take part in the program. Some of the assembly and media houses present were;

1. Ablekuma North Municipal Assembly
2. Ablekuma West Municipal Assembly
3. Okaikoi North Municipal Assembly
4. Ayawaso North Municipal Assembly
5. The media (joy news, citi tv, adom tv, tv3, utv & times)

The program started at exactly 9:30am and after the Municipal Chief Executive’s brief address on how the program will go, three groups were dispatched into three Electoral areas to enforce the operation clean your frontage initiative through sensitization, education and serving of abatement notices to the community members to abate nuisances.

The three electoral areas were;

1. Nmenmeete Electoral Area (Sabon zongo)
2. Gbortsui Electoral Area (Russia) &

3. Mambrouk Electoral Area

The chief executive led the team and started the inspection at Russia, within Gbortsui electoral area. Households and shop owners were visited and educated on the need to keep their frontage clean including their frontage drain. Abatement notices were served on them to abate the various nuisances detected.

The second point was Shukura Trotro station within Mambrouk electoral area where shop owners, households and GPRTU executives within the station were educated on the operation clean your frontage.

The last area visited by the team was Zongo, within Nmenmeete electoral area.

Posters and flyers were pasted and distributed while abatement notices were served to offenders.

Representatives from the Regional Coordinating Council, Assembly members, unit committee members', Heads of department and security also supported in the exercise.

The program will continue on the 2nd February, 2022 where full enforcement of the operation clean your frontage will take effect and section 296 sub-section 18 of Act 646 criminal code(amendment) Act of 2003 and the Bye Laws of Ablekuma Central Municipal Assembly will be fully enforced.

Total number of notices served during the exercise was sixty-five (65).

CONCLUSION

Operation clean your frontage is a good initiative which when enforced with needed logistics and support will go a long way in achieving president's initiative of making Accra the cleanest city.
